**COMMENTS**

Tsunami Communications, Inc. ("TCI"), licensee of Station KTCL(FM), Fort Collins, Colorado, by its counsel, hereby submits its Comments to the Notice of Proposed Rule Making ("NPRM") in the above-captioned proceeding, DA 03-627, released March 14, 2003. In response to the petition, the NPRM proposes to change the community of allotment and downgrade the license of Channel 227C at Ft. Collins, Colorado, to Channel 227C0 at Wheat Ridge, Colorado. This proposed change of community would provide Wheat Ridge with a first local aural transmission service. To accommodate the allotment at Wheat Ridge, TCI also requested the substitution of Channel 249A for vacant Channel 227A at Westcliffe, Colorado.

TCI hereby restates, for the record, that should the Commission approve the requested change in the community of allotment and downgrade the KTCL(FM) license to FM Channel 227C0 at Wheat Ridge, Colorado, TCI will apply for the channel and construct the facility.
